“ One of the greatest moments I had last year was to meet my Aunt Margaret. Considering that she was fighting dementia I didn't know what to expect from the visit. She mentioned to me that she took a fall the previous week. Then she said,"I always get back up!" What an inspiring attitude. I am thankful to my brother Mark Wheeler for taking me to meet her. I am also thankful to Donna Passlock Evans Roberts and Mark for sharing all of the stories and information about our family. Meeting Dana was also a privilege. I am confident that when I finally get to meet our Lord and Savior Jesus Christ Aunt Margaret and my Mother Dorothy will be there with Him. God Bless Everybody!

“ I am so sorry for your loss. I always admired Ms. Fassler's spunk and drive. I always considered her such a great role model and an inspiration. She was the first adult woman i met who lived life unapologetically and on her own terms. What a gift that was to all of the young girls who were lucky enough to have her as a teacher in school and/or dance class! I just hope I can pass on a fraction of what she meant to me to my girls.

“ I remember Ms. Fassler fondly from Mena Middle School. She was a very nice lady with such a sweet smile (or a steely stare if you needed it)! One of a kind! So sorry to your family for her loss.
