“ Man, I just found out about Richard. I'm so sorry for his loss. May God Bless you! Even though I no longer live in Mena, I will always be a Bearcat. It gives me goosebumps just thinking of Richard shaking my hand and telling me good luck before we started every football game. Richard was the Light in “Friday Night lights” at Boyd stadium. RIP sir, you will not be forgotten!!

“ Richie and I grew up together
Playing in the park as children as we where in vacation bible school
I would hold his hand and we would cross the street to the park
Both of us never forgot those times

I enjoyed seeing him as I would go visit my mother and he would be waiting to say hi

One day soon when we get there he will hold my hand and help me cross over the golden streets

“ Praying for the family. There was never a dull moment when Richard was around. Everyday when I went to see my Mother, Richard and I discussed the Hogs and the Bearcats. I promised him a peacock feather for his cowboy hat but I never got it there. We will miss you Richard.

“ I had the privilege of caring for Richard and enjoyed a special relationship with him. He liked to be called cowboy when he was wearing his hat and often we would visit and share a soda in the dining room. Richard never let his infirmity direct his life and we often went on road trips with other residents. Rest In Peace Richard. Donald J Fortunato Sr
